शुद्धता व मजबूती
है नर्मदा का वादा

AN ISO 9001 : 2008 CERTIFIED COMPANY

Narmada Water Storage Tanks :

Hygienic :

Anti-microbial & hygienic in nature which stops the growth of bacteria, fungi, algae.

Preserve water safe :

State of the art airtight treaded lid ensures that the content of tanks free from dust and insects.

More Strong :

The additional third layers make it more robust then other tanks.

Excellent Structure with bolder ribs support stability and reduce bulging when the tank is full.

100% Vergin Material
U.V. Resistant
Tough Plastic Layer

Capacity (Litres)	Overall Height* (mm)	Overall Diameter* (mm)	Dia. Man-Hole* (mm)
300	950	700	420
500	1050	850	420
750	1180	950	420
1000	1250	1100	420
1500	1470	1220	420
2000	1575	1350	420
